### The Village of Dewey

Culebra has only one town, Dewey, where the daily ferries arrive and depart from the east of the "big island" of Puerto Rico. The town is basically one main street that crosses a bridge, turns a corner and ends at the ferry landing. Dewey has several gift & craft shops, grocers, liquor store, hardware store, and a half-dozen or so eateries. Also in town you'll find a dive shop, a gas station, a U.S. Post Office, and a Bank/ATM.

### The Culebra Museum

Features old maps and photographs of Culebra, Taíno artifacts, traditional canoes made from the zinc plant, and Navy artifacts. It's located at the site of the first settlement in Culebra, in a 1905-era stone building that once stored ammunitions for the Navy. (Located off Road 250 toward Playa Brava)

**Culebrita** - Fantasy Island with six beaches and a Light House. Tortuga Beach is the favorite. Access with Water Taxis or Catamaran.

**Soldados Point Beach** - Beautiful coral reefs. Great for snorkeling and scuba diving.

**Melones Beach** - As part of the Marine Reserve area, features an abundance of marine cactus and two great snorkeling spots.

**Tamarindo Beach** - Perfect for a secluded picnic, swim, or snorkeling.

**Luis Peña Cay** - Part of the US Fish and Wildlife Refuge. Perfect for snorkeling. Access with Water Taxi.
